Due to the Public Health Restrictions in place during the COVID-19 Pandemic, lessons will be quite different from previous years. We will be offering **6 Sets of Lessons (1 week in length)** instead of the 2 week sessions we have offered in the past, as we are required to limit the number of participants (max of 5) in each class to allow for social distancing and want to ensure that all children who wish to take Lessons are able to do so.

The length of instruction time for each lesson will be increased to help make up for the time that will be lost by not having the 2nd week of lessons. You are more than welcome to book in for more than one set of lessons if space allows.

IMPORTANT NOTICE – for the **Parent & Tot to Swimmer 2 LESSONS** there **MUST** be a parent, guardian or older sibling in the water for the entire lesson to assist the young swimmer with their skills as the **INSTRUCTORS** will not be allowed to provide hands on instruction due to **Social Distancing Protocols**. The Instructors will be pool side coaching you through the skills to work on with your child.

PLEASE REGISTER EARLY SO YOU DON'T MISS OUT ON THE DATES THAT WORK BEST FOR YOU AND YOUR FAMILY as we will be **strictly adhering to the max of 5 participants in each group.**

We hope that we can make this SUMMER at the POOL as enjoyable as possible, even with all of the rules and restrictions that will be in place.
